

## **MOTORFEST - ELITE CAR ENTRY INFORMATION DUBBO MOTORFEST 30th AUGUST 2025**

To our nominated Elite Legends!

Welcome to Dubbo NSW, and thank you for enquiring about Dubbo Motorfest 2025. After the success of the last two year's, Dubbo Motorfest has established itself as one of the premier Car Shows in Regional Australia and we are looking forward to again raising the bar with our 2025 event. Our goal is to provide a show with the highest quality cars and bikes along with plenty of activities, adding strength to the great atmosphere and show that over 9000 people experienced last year. This year our show will be held on Saturday 30 th August at the Dubbo Showground.

Dubbo Motorfest is organised and run by a group of volunteers who all share a passion and commitment to bring an amazing car show experience to the people of Regional NSW. We have the support of many great sponsors, local council and other like minded businesses across our region. We also have small army of volunteers who help out on the day of the show, without whom, it would be impossible to stage our event. After the show, as in the past years we aim to give back to the local community in the form of donations to many deserving locally based charities and volunteer organisations.

Below, is some detailed information you will need about the Dubbo Motorfest show. We have also provided some accommodation and tourism options that Dubbo has to offer ... if you decide to extend your stay and have a look around our local region.

### **LOCATION**

Dubbo Motorfest 2025 will again be held at the Dubbo Showground (Cnr Fitzroy St and Wingewarra St Dubbo). The elite car entries will be housed under cover in the Ewen MacInnes Pavilion. (We've been told it's one of the best in regional NSW!)

## **ENTRIES**

Please fill out your personal and vehicle details on the attached entry form and return to the email address below. If you have any further questions, please don't hesitate to contact us at [elitecars@dubbomotorfest.com.au](mailto:elitecars@dubbomotorfest.com.au).

Entry cost will remain \$60 per car or bike. This includes 1 x car/bike entry, 1 x general admission ticket, 1 x VIP pack (which includes an Entrant T-shirt, (please indicate T-shirt size on the form below), and a few other goodies). Included in the cost of entry there will also be an invite-only casual welcome BBQ / get together for all elite entrants and their buddies on the Friday evening, commencing at (6pm) at the conclusion of bump-in setup. This will include all food and soft drinks ... but for adult beverages please BYO. This will be held at the Woolpack Function Centre directly adjacent to the elite arena area.

## **BUMP IN / SETUP/ BUMPOUT**

Entry into the showground and Bump-in / setup will be open from 12.00pm to 6.00pm on Friday 29 th August and again from 5.30am to 8.00am on Saturday 30 th August. Entry into the showground will be through either the Fitzroy St or Wingewarra St Gates. (NOTE - It is preferable that where possible cars are unloaded and set up for display on the Friday to help ease congestion on the Saturday morning due to external trade vendors bump-in and set up on Saturday morning.)

Entrants will need your tickets either printed out or on your phone to be scanned into the event. (If you have not received your ticket/s prior to 7 days before the show, please get in touch with Owen on 0427 873 702.

Setup ... as we have well over 60 cars coming into the elite arena, please communicate with Brad on 0429 478 292 or Owen on 0427 873 702 regarding your preferred bump in time in the Friday or Saturday timeframes. This will help with the set -up and flow of the Arena. All cars in the arena will be parked at a 45-degree angle, as to best fitment in the spaces allotted. All individual sites are approx. 6m x 5m.

There will be professional security guards present on site throughout the weekend ... from 5pm on Friday until 8am on Sunday. The arena will be locked down with temporary security fencing as well as 4 x security guards on site over the 48hr period from bump-in through to bump out. We are all about security!!

We also have a dedicated tow-vehicle / trailer parking area if required, adjacent to the elite arena building. This area is also available for anyone wanting to camp overnight / sleep in their personal trailer setups ... there is no power available to this parking area but there are toilet and shower facilities nearby.

(We encourage you to be pro-active with parking, locking up tow-vehicles and trailers at each owner's discretion and responsibility).

Bump Out will commence at (5.00pm) on Saturday 30 th August with the latest Bump Out time being 12:00pm (midday) on Sunday 31 st August.

We have structured our weekend to flow into our adjoining Sunday event – our epic monthly community event - Dubbo Classic Cars and Coffee gathering from 8am Sunday morning just outside the elite Arena until around 11:30am. We would LOVE (did I mention LOVE!!) if you were able to stay overnight and be part of creating the highlight for our regular event.

If you do need to bump OUT on the Saturday afternoon, it will be after (5.00pm), when all the official trophy and event presentations have concluded and the show is officially closed to the public.

Some other considerations...

- All owners must provide (if they choose to use) their own barricades or show fencing, show set-up extras (flooring, blocks, ramps etc). There will be a limited number powered sites available if required (please let us know if you need power as it will be on a first in best dressed basis. Cost of power to display site \$25.00).
- Overnight elite cars are strongly encouraged to supply and use their own car cover
- All sites are 6 x 5 Mtrs in size.
- All vehicles will be angle parked for best show placement and fitment. You will be given your allotted / numbered space. ( This will be communicated prior to the event.)
- Professional security Guards will be present on-site over the 48hr period of the show.
